PRESIDENT STEVE GONSALVES

“Helping Others Help Themselves”

# Oakleaves

## NEXT WEEK

### Rory Rottschalk

### Bigs in Schools

Rory is a long time resident of Chico, having arrived here with his family in 1966 at the age of 12. He attended Chico High and in 1976 graduated from CSU, Chico's Civil Engineering program. Rory is vice-president of Culp and Tanner, a structural engineering company with offices in Chico, Orange County and Las Vegas. C&T specializes in large commercial structures throughout the US. The majority of C & T employees are CSU, Chico graduates, several of which have participated with the engineering college as guest lecturers and special project sponsors.

Rory has been married to his Chico High School sweetheart for 30 years and has a son (full time at Costco) and daughter (full time mother and part time CSU, Chico instructor).

Rory and his company commit a portion of their time to work with area social service institutions (public and private) in an effort to bring hope to those in our community who need "a helping hand". He is actively pursuing this goal with other businesspersons of like mind in Chico and the surrounding communities attempting to form a "Community Alliance" with the community at large and the social service network.

## JULY 28, 2009 MEETING REPORT CONTINUED

### FINE TIME

**Darren Normoyle** - trip to Vienna, recently engaged, actually has a time set for the wedding (versus an open ended "arrangement") 8 bells

**Mike Marks** – family tradition of supporting the community and Enloe Hospital specifically. Something about fishing in Brooking, Oregon? 8 bells

**Noel Wheeler** – Got razed for an airplane with no wings

**Ed Anderson** – Attacks the president right away, traveled to Austria, Prague and a few other places to golf. 8 bells

### PROGRAM

**Les Heringer** introduced the guest speaker Janice Walker who is the Director of Project S.A.V.E. S.A.V.E. stands for Salvage All Valuable Equipment, they recycle medical and dental equipment and supplies received from professional organizations, clinics, hospitals and individuals from around Northern California. The group is based in Chico and is an all volunteer group. They collect sort and ship supplies all over the world. To date they have shipped 50 container loads all around the world. In the Philippines they created an entire surgery room.

They donate everything from diapers to sophisticated medical equipment such as incubators and x-ray machines. In addition they donate to meet local needs as well. They have received great support from Enloe Hospital as well as local doctors and medical supply companies.

### Call for Youth Exchange Information and Photos

Our Youth Exchange Committee has a project to organize a digital history of the Chico Rotary Club's Youth Exchange experiences. Does any one know what year our club began participating in the Youth Exchange Program? The Youth Exchange Committee is in the process of collecting information about our former exchange students, both our inbounds (students we hosted) and our out-bound (students we sponsored). If you were an Youth Exchange Officer, Counselor or Host Family, please provide Michael Bury with the name of your student, their home country, the year of their exchange, current contact information, if you have it, and photos - photos from then and more current ones would be great (then and now photos).

**Weekly Rotary Foundation Thought**

*This week's [Rotary Foundation Thought](#) highlights the cooperation between two Rotary Peace and Conflict Studies Program alumni*

Rotary Peace and Conflict Studies Program alumnus, Francis Kabosha is busy repatriating refugees in Zambia back to their homeland in the Democratic Republic of Congo (DRC). Through the repatriation process, Francis also educates the leaders of the repatriated groups in the ways of peace to help them build and maintain peace in their home areas. He recently called his fellow RPCS alumnus, Abdulai Jalloh, logistics officer for the United Nations in DRC, to say, "I'm giving them the tools to build peace, you must ensure they reach their destinations safely." Francis and Abdulai now work together to build peace in the region. Keep in mind, every dollar that you contribute to The Rotary Foundation goes to actual program spending.

Please support Rotary's international efforts with your check payable to "The Rotary Foundation" in the amount of \$100, \$200 or more. Your generous contributions make a huge difference in our world community. You may return your tax deductible donation to the Club's Foundation Giving Chairperson, Joe Starkey or mail to the office.
